Dear Fellow Recipient of God's Grace in Christ Jesus,

What happens when we die? With the recent pandemic and talk about death, we're reminded that our lives are fragile. The Lord literally could call us home to heaven at any moment. Our times are in His hands (Ps. 31:15).

As a maturing Christian, I'm understanding more and more that a great life isn't based on how much people remember ME after I die. Rather, the greatness of my life will be based on whether people saw and remembered JESUS through the life I lived for him. There are many ways that others get to see Jesus through us as we live our lives in this world. We thank the Lord for these many opportunities and ask him to help us see and seize them.

But what about when we die? How might others continue seeing Jesus through us then? That presents a challenge. Yet, **we can make specific plans now which will enable others to see Jesus through us after we die.** One of those ways is developing an estate plan* which includes Jesus. Through such an estate plan you'll be able to **provide for your family members** when God calls you home to heaven. At the same time, you'll also be able to **provide for those ministries for which you are passionate**.

Great Plains Lutheran High School has been receiving estate plan gifts for quite a few years. In fact, there has been an uptick in these gifts over the past few years. Because of them, this important and valuable ministry has been blessed.

Why think more about an estate plan? Prayerfully consider allowing us the joy of helping you **set up an estate plan that reflects your love for your family and your Savior**, an estate plan that supports gospel ministries near and dear to you, an estate plan that will enable people to see and remember Jesus when you leave this world for your eternal home in heaven.

In Jesus, our crucified, risen and ascended Savior,

Paul D Lindhorst
